

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

P R E F A C E.

THIS pamphlet contains "The Records of the Church of Christ in Buxton" during the pastorate of the Rev. Paul Coffin, D.D.; that is, from the first formation of the church, March 16, 1763, until the ordination of his colleague, Rev. Levi Loring, Oct. 22, 1817. Prior to and including that date, the records are all in the handwriting of Dr. Coffin; but, during the remainder of his life, they are almost entirely in the handwriting of his colleague, and are not included herein. Everything in his handwriting is included, and nothing else, unless so noted.

While these records are in manuscript only, there is constant danger of their destruction. As a grandson of Dr. Coffin, and a native of Buxton, I wish to see the facts preserved which are so recorded, and therefore cause this pamphlet to be printed.

Many of the old families will here find some facts that will interest them; and the future historian of the town will not fail to appreciate their value.

I do not undertake to add annotations. That would lead me into too wide a field, and one which I am not inclined, for the present at least, to enter. By putting the facts here recorded into a more accessible shape than they now are, I hope that they will become better known to the inhabitants of the town, and tend to promote among them a better knowledge of, and more interest in, family history, than now exists.

A Memoir and the Journals of Dr. Coffin were printed in the fourth volume of the Collections of the Maine Historical Society, which makes it unnecessary to speak fully of him here.

THE RECORDS
OF THE
CHURCH OF CHRIST IN BUXTON,
JANUARY, 1798.

THIS Book, altho' not bo't till January 1798, contains the Records of the Church of Christ from its *first Formation*, & Reception of a Pastor in *March* 16. 1763. At which last Date the Church was formed and *Paul Coffin* ordained Pastor of it. Rev^d *Moses Morrill* of Biddeford with the Delegates of his church, Rev. *Moses Hemmenway* of the first Church in Wells, & Rev^d *Daniel Little* of the Second Church in Wells, And Rev^d *John Fairfield* of the Church in Pepperrellboro', with the Delegates of their respective Churches, assisted in forming the church in Buxton; (then Narragansett No 1.) And in ordaining their Pastor.

CHURCH COVENANT.

WE, whose Names are hereunto Subscribed, apprehending ourselves called of God into the Church State of the Gospel, do first of all declare ourselves unworthy to be so highly favoured of the Lord, and admire that free and rich Grace of his, which triumphs over so great Unworthiness; And then, with an humble Reliance on the Aids of Grace therein promised to

them who, in an humble sense of their Inability to do any good Thing, do wait on him for all their Sufficiency, do thankfully lay hold on his Covenant, and would chuse the Things that please him.

We declare our Belief of the Christian Religion, as contained in the Sacred Scriptures; heartily resolving to conform our Lives to the Rules of the same, as long as we live in the World.

We give up ourselves to the Lord Jehovah, who is the Father the Son, and the holy Ghost; & avouch him this Day to be our God; our Father, our Saviour, and Leader, and receive him as our Portion forever.

We give up ourselves to the blessed Jesus, who is the Lord Jehovah, And adhere to him as the Head of his People in the Covenant of Grace and rely on him, as our Prophet, Priest & King, to bring us unto eternal Blessedness.

We acknowledge our everlasting and indispensable Obligations to glorify our God in all the Duties of a Sober, righteous and godly Life; and particularly in all the Duties of a Church-State, as we are a Body of People associated for an obedience to him in all the ordinances of the gospel; And we thereupon depend on his gracious Assistances for our faithful Discharge of the Duties, thus incumbent on us.

We desire, and intend, &, with Dependance on his promised and powerful Grace, we engage, to walk together as a Church of the Lord Jesus Christ, in the Faith and order of the Gospel, according to our *Knowledge* of the same, conscientiously attending the public worship of God, the Sacraments of his new Testament, the Discipline of his Kingdom, & all his holy Institutions, in Communion with one another, and watchfully avoiding Sinful Stumbling Blocks and Contentions, as becomes a People whom the Lord has bound up in a Bundle of Life.

At the same Time, we do also present our Offspring with us unto the Lord, purposing, with his Help, to do our part in the Methods of a religious Education, That they may be the Lord's. And all this we do, flying to the Blood of the everlasting

Covenant for the Pardon of our many Errors ; and praying that the glorious Lord, who is the great Shepherd, would prepare and strengthen us for every good work, to do his will, working in us that which will be well pleasing to him ; To whom be glory forever and ever. Amen.

At an adjourned meeting of the Congregational Church in Buxton held at their meeting house on Wednesday the tenth of Sept: 1817

Rev. Dr. Paul Coffin, Moderator,

Prayer by the Rev. Moderator

Voted, that the *baptismal Covenant*, which has hitherto been practised upon in this church, be in future discontinued ; granting at the same time to those already in that covenant Liberty to enjoy the Privileges of it, they being subject to the Discipline of the church.

Received the following answer from Mr Levi Loring, viz.

To the congregational Church and Parish in Buxton.

Brethren & Friends.

The Invitation to accept the office of Colleague Pastor, in the work of the gospel ministry, with your present venerable and beloved Pastor which has been communicated to me, through your respective committees demanded, and has received, my most Solemn Consideration. It is a Question that involves my own Peace the Comfort and Happiness of my Family, the Happiness of a Church of Christ, and the eternal Happiness of the Individuals composing your Society.

It is a Subject connected with the Interest of the Redeemer's Kingdom, the eternal Salvation of immortal Souls, and the Glory of God. In a matter of such infinite Importance, who is competent to decide ? None, I am sensible, but that Being

who is infinite in wisdom, and who seeth the end from the Beginning. To him therefore I have endeavored to refer the Subject, beseeching him to guide and direct me to such a Decision as shall be for the Advancement of the Kingdom of Christ, and the Glory of God. When I consecrated myself to the work of the ministry, I humbly hope I gave myself unreservedly to the Service of Christ; to labor in any Part of his Vineyard, where he should place me, my only Anxiety therefore in this Business has been to ascertain the mind of Christ. That *unanimity* with which you have proceeded, and other events of divine *Providence* connected with my Introduction and continuance among you, have led me to believe that it is my Duty to accept your Invitation, by answering your Request in the *affirmative*. I have not come to this Determination without many severe Trials of mind. I feel myself altogether insufficient to perform those great and momentous Duties, which will devolve upon me. I enter upon the arduous work with Trembling. May I have Grace to depend on the Great Head of the Church, for Wisdom and Strength; To look to him, who has said, "Lo, I am with you always." May the Connexion contemplated, if formed, promote the Peace and Prosperity of your Church and Parish, and increase the Happiness of your aged Pastor, but above all, may Almighty God give me Grace to preach the Gospel faithfully: And may he accompany the Dispensation of his Word among you with the effectual Influences of the Holy Spirit; that I may save my own Soul and the Souls of them who hear me.

I am your servant in Christ,

LEVI LORING.

Aug. Sept. 10, 1817.

Voted unanimously to accept this Answer.
